For Prepaid Subscribers:

*Upon first usage of Internet during the day AMD 50 is withdrawn from the subscriber's account and 5 MB is provided, then starting from the 6th MB the price for each next MB is AMD 10.

**Upon first usage of Internet during the day AMD 250 is withdrawn from the subscriber's account and 5 MB is provided, then starting from the 6th MB the price for each next MB is AMD 50.

The provided 5 MB can be used during the day by 23:59 according to Armenian time. To use the first 5 MB of Internet package the client should have from 200 to 500 AMD on his balance, depending on Roaming destination, out of which only the amount of the respective package is withdrawn.

To check the used Internet balance please dial *215#.

***AMD 29,99 is valid for the calls to Armenia Beeline numbers with prefixes (374 91, 99, 96, 43, and 33). The price of calls to fixed and other mobile networks of RA and NKR will be AMD 250

Highlighted tariffs will be valid until December 31, 2020.
