Terms

If the Internet balance is less than 8MB, then with the simultaneous generation of more than one Internet session, the remainder of the package will be spent only on the first session, and the rest of the sessions will be billed according to the terms of the tariff plan, that is, at the price of 1MB.

Calls to Russia

Free minutes to Beeline mobile network of Russia can be used by dialing the number in the following format: *88* 00 (country code) (telephone number) or direct dialing.

When dialing via *88* or direct dialing the call is not tarifficated only to Beeline mobile network in Russia that starts with the following codes:

Direction	Exit code	Country code	Mobile network code
" Beeline " (Russia)	00	7	900335-900344, 90205-90207, 90252, 902553-902557, 902559, 903, 90462, 905-906, 90844-90845, 908460-908464, 90896-90899, 909, 95100-95102, 95320-95322, 96, 9786

If you have been suspended for 60 days, your service package will be cancelled, including fixed Internet.

To resume the service package please contact the nearest office of Team.

TeamTV mobile application does not consume internet megabytes and is available all over the country.

New or current Team users subscribed to a different tariff plan may Join to Combo Max for a free access to the TeamTV package, which will be enabled automatically. Login and password will be sent through SMS in order to insert them in the required fields of TeamTV application correspondingly.

Current Combo Max tariff plans subscribers may get free access to the TeamTV channels by dialing the command *818# from your mobile. Login and password will be sent through SMS in order to insert them in the required fields of TeamTV application correspondingly.

Using TeamTV without consuming megabytes means that upon enabling Combo Max plan, the megabytes included in the package shall not be used while watching TeamTV in 3G or 4G (LTE) mobile networks and no additional fees shall be charged from your balance.

In case you forgot your login or password? Please dial *812# command from your mobile and the login and password will be sent to you via text message.

The free access to the TeamTV package without consuming Internet megabytes is active for 30 days, after which only "<1" channel will be available for subscribers, and the Internet will be charged in accordance with the corresponding Tariff Plan conditions.

TeamTV application is available On all smartphones and tabs with operating systems iOS 7.0 and Android 4.1 and above. Broadcasting is conducted by CJSC "Team".

If the internet package has expired*

You can turn on the main phone number:

- Internet Packages:[Giga 1+1GB](#), [Giga 2+1GB](#), [Giga 5+1GB](#), [Giga 10 GB](#), [Giga 15 GB](#).
- [Mega 300+](#) or [Mega 500+](#) services.

Important! When "Mega" service is activated, it has a higher priority, i.e. after consuming the free "Mega" internet package and in case of main number free service package availability, 1 MB price is 5 AMD until the service is disconnected. In this case TeamTV app Internet traffic is also charged. The MBs provided by the service will be exhausted in parallel with the MB package included in main number service package.

*Additional internet packages (also internet packages from Team Bonus program) are not available for the tariff plans with Internet speed limitation.

You can activate the "Online" service for additional mobile numbers - 500 minutes for calls within Team network and 1 GB of mobile Internet for 500 AMD. [Details](#).

TeamTV

With "COMBO 3" tariff plan [60](#) channels is provided in the TeamTV application.

For new subscribers, the service of free [TeamTV](#) channels is automatically activated.

In order to use the service of free TeamTV channels, current subscribers must dial *818# to receive their login and password.

In case of losing login or password dial *812#.

TeamTV mobile application does not consume internet megabytes and is available all over the country.

Using TeamTV without consuming megabytes means that upon enabling BeeFree tariff plan, the megabytes included in the package shall not be used while watching TeamTV in 3G or 4G (LTE) mobile networks and no additional fees shall be charged from your balance.

TeamTV application is available On all smartphones and tabs with operating systems iOS 9.0 and Android 6 and above. Broadcasting is conducted by CJSC "Team".
